

## SC4 Online Classroom Information

This information will aid you in getting logged into the new system.

- **Username** – Your WebStudy Username is the same as your WAVE ID. PLEASE be sure to include the numbers if you have them. For example, Jane Doe’s Username: jdoe12345
- **Password** –
  - **New Student Orientation users:** Your password is set to ‘sc4’.
  - **Credit courses or WEB099users:** Your password is set to ‘**changeme**’ unless you have logged in and changed it.
- At the top right of the screen, you will find the course selection menu box.
  - Click on the box and select your course. **Course sites will not be active until the first day of class.**
- Once you have logged in and selected your course, you will come to your course homepage. On the left side of the page are TABS indicating different sections of your course. Click on the **TIMELINE** tab to get started working on your course.

For further assistance please call WebStudy Support, toll-free at (888) 326-4058, Option 3 .

Thank you for choosing St. Clair County Community College.
